### ABSTRACT MAILING INFORMATION

Abstracts for general meetings are to be sent to W.W. Havens, Jr., The American Physical Society, 335 East 45th Street, New York, N.Y. 10017. Abstracts for separate Division and Section Meetings, and Topical Conferences are to be sent to the person designated to receive the abstracts specified in the announcement of the meeting.

Abstracts must be in the appropriate office of the Society by the deadline date to be accepted. Figure out the latest possible date by which your abstract must be mailed in order to reach the appropriate office—and then mail it at least two days earlier. Registered mail is a hindrance, not a help; and Special Delivery must not be relied on. The privilege of contributing papers to meetings of The American Physical Society is restricted to (1) APS members in good standing; (2) if no author of an abstract is a member, see "Regulations for Preparing Abstracts"; and (3) a nonmember whose complete membership application and payment for the first year's dues is on file at the time of the appropriate deadline. ALL ABSTRACTS, HOWEVER, MUST BE SUBMITTED AND SIGNED BY AN APS MEMBER, REGARDLESS OF THE STATUS OF THE ABSTRACT AUTHORS.
